

THE THIRD SET OF RULES AND REGULATIONS. -- 1957

This issue is identified by the heading "*The Fellowship Forum of Palo Alto, California, Rules and Regulations, Effective March 15, 1957.*" It clarifies and simplifies the ten sections of the previous By-Laws of January 1955. Clearly, it is a superior document, splendidly organized and showing the results of further growth and development of the Forum.

"Section II - Membership" is changed to increase the Active Membership limit to 45 men. For the first time, the heretofore indefinite election of Active Members is resolved by the wording, "---- election shall be by unanimous vote of the members present."

"Section III - Officers" authorizes either the Chairman of the Business Committee or the President to sign checks in the absence of the Treasurer.

"Section V - Governing Board" is expanded and prescribes the duties of the Board in Considerable detail.

"This set of Rules and Regulations was not amended.
